

# 5 Donation Form Trends to Increase Giving

Donation Forms | Event Registration  
Text Fundraising | Peer-to-Peer | Auctions

# Why?

**54.8%**

of donors prefer going online to make their donation

**83%**

of people who land on your main donation page won't end up making a donation

**Staying on top of emerging trends will help you secure more donations and stay ahead of donor expectations!**

# Speed impacts conversion rates

Speed directly correlates to improved conversion rates and more funds for your organization.

Page speed has a major impact:

**-4.42%**

for **every additional second** of load time, **conversion rates drop by 4.42%** on average

**0-2  
seconds**

The highest conversion rates occur on pages that load between 0-2 seconds

The length of your form matters too:

Long forms are visually overwhelming

Splitting the donation process into pieces makes it easier for people to **stay focused**

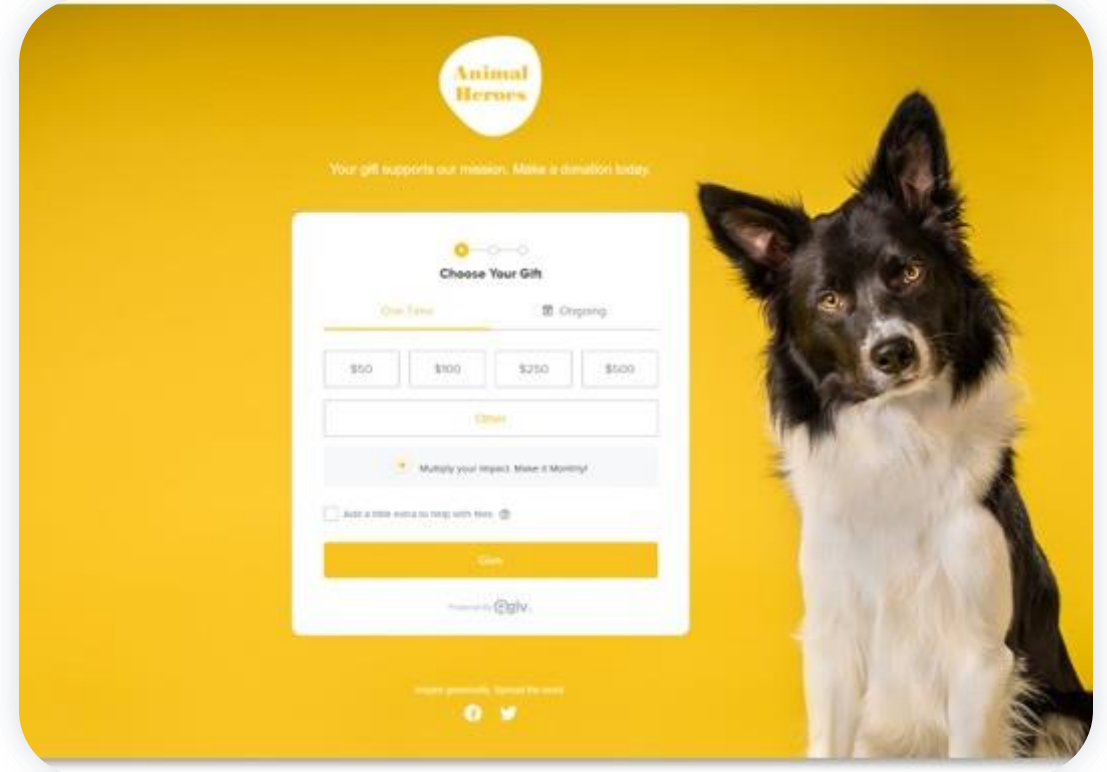

+

# How to improve speed

- + Remove **excess fields**
- + Focus on the “**mobile first**” strategy
- + Provide **fast payment** options
  - Express Donate
- + Minimize the **total number of images**
- + Use **image optimizers**
- + Use **multi-step forms** to “**chunk**” the giving process

# + + Chunking improves conversion rates

Finishing one “step” before moving onto the next **solidifies a donor’s decision to give**

Moving from one step to the next helps build **“cognitive momentum”**

# Trend #2: Personalize the Giving Experience

# Improve donor retention through personalization

Personalization engages donors and builds deeper, meaningful relationships.

Donors **want to feel valued!**

**13%** of donors **stop giving** because they weren't thanked.

Personalization **builds connections with**

**donors.** 18% of donors stop giving because of poor service or communication.

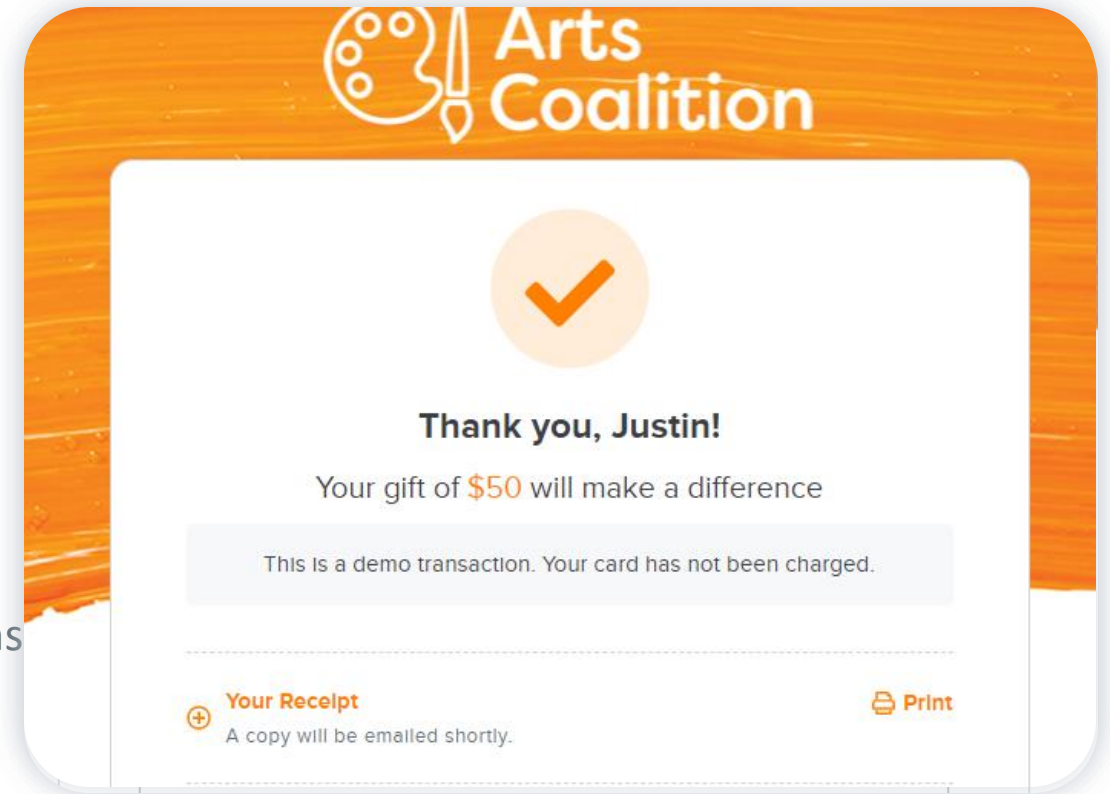

Donors are **more likely to stay engaged** with your organization. 36% stop giving because they start giving to another.

# How to add personalization

- + Use **personalization tokens**
- + Dynamically **suggest donation amounts**
  - “Smart Amounts”
- + Customize **confirmation pages and thank you emails**
- + Build **donor lists** for future segmented communications

# Trend #3: Provide Multiple Payment Options

Text Fundraising | Peer-to-Peer | Auctions

# Convenient payments improve conversion rates

When donors see their preferred payment method, they are more likely to give.

1-2

donors typically have 1-2 preferred payment methods

+30%

can increase conversion rates up to 30% with top payment methods added

# Multiple payment options

Empower donors to give based on their preferences with multiple payment options.

The screenshot shows a donation interface. The 'Choose Your Gift' section has radio buttons for 'One Time' (selected) and 'Ongoing'. Below are buttons for '\$50', '\$100', and '\$250', and an 'Other' input field. A 'Give \$50' button is prominent. The 'Payment Details' section shows 'TOTAL GIFT \$50' and offers digital wallet options: Apple Pay, PayPal, and Venmo. Below these are fields for 'Credit Card' (Card Number, Name on Card) and 'Bank'.

Flexibility **empowers donors to choose** how they give, no matter where they are

Digital wallets like, Apple Pay and PayPal/Venmo, **make the payment step fast**

Donors are **more willing to give** when they see their preferred giving options

# What payment options to add

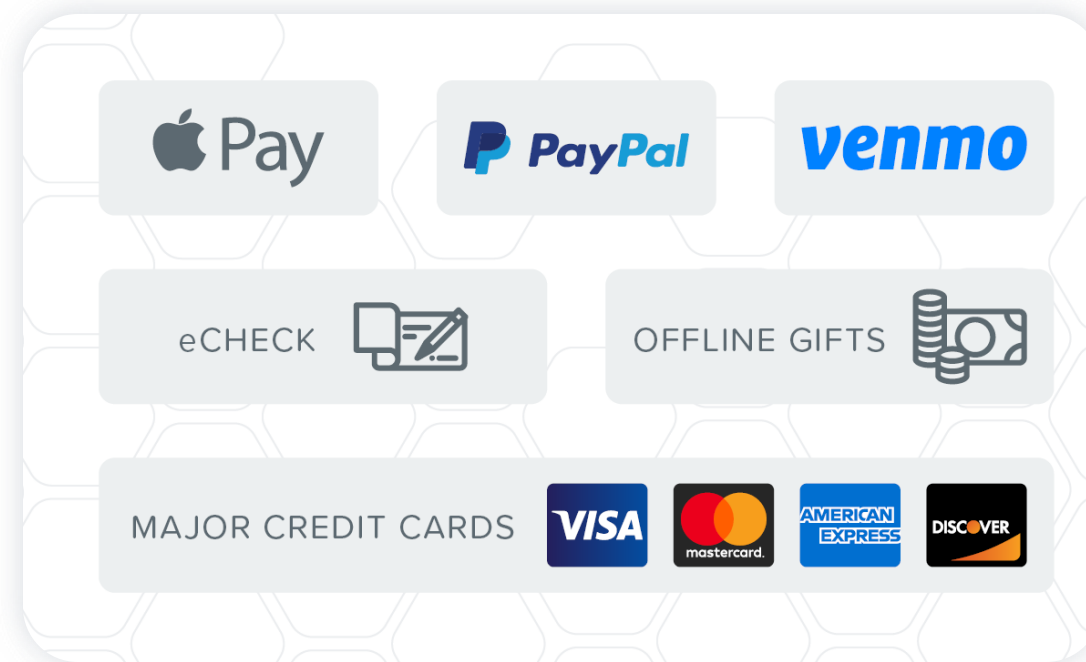

## + Major credit cards and eCheck

- Visa, Mastercard, American Express, Discover

## + Add popular digital wallets such as:

- Apple Pay
- PayPal
- Venmo

## + Offline donations or registrations

# Trend #4: Improve Donor Retention with Recurring Gifts

# Recurring donors are important

Recurring donors give more and have higher retention rates compared to one-time donors.

+42%

monthly donors give about 42% more annually than one-time donors

90%

donor retention rate of monthly recurring donors

~52%

of millennials prefer to give monthly gifts instead of one large gift

# How to encourage recurring gifts

Give donors the option to make a recurring gift, even if they're only making a one-time gift.

- + Enable **recurring gifts** on your donation form
- + **DO NOT default** to recurring gifts
- + Include a **short, clear ask** for recurring gifts
- + Offer a **variety** of billing frequencies
- + Allow donors to select **start and end dates**
- + Use **subtle callouts** to encourage upgrades
- + As a final callout, use **recurring prompts**

+

# Trend #5: Use Trust Indicators

Donation Forms | Event Registration  
Text Fundraising | Peer-to-Peer | Auctions

## + + Use trust indicators

These are very small details, but they're huge for your donors. Why?

- + Many donors worry about handing out **personal information** online
- + Data leaks are a thing, and **they are a pain** for everyone
- + It's a great way to **alleviate skepticism** and doubt

# Use trust indicators

Foster feelings of security by **including security signals** on your donation page

- + Use **https://** on your donation form
- + Include **lock icon** near payment info. NextAfter found this can increase donations by 95%.
- + Don't remove **security certificates**; leave them by the submission button

The screenshot shows a donation page with several trust indicators. At the top, a progress bar with four yellow checkmarks is visible. Below it, a lock icon is circled in red, followed by the text "Payment Details" and "All transactions are secure and encrypted." A dashed box contains the text "TOTAL GIFT \$50" with a "Change" link. Below this, the section "Saved Payment Methods" lists four Visa cards, each with a "VISA" logo and card details. At the bottom, there is a "New Payment Method" section, a "Back" button, and a large yellow "Give \$50" button. In the bottom right corner, a "digicert EV SSL SECURE" logo is circled in red. The page is powered by Qgiv.

# Use trust indicators

Where do you start?

- + **Talk to your webmaster** about security and having a secure page/site
- + Your donation form already includes a lock icon and security certificates!
- + Use Form Builder to add any **additional trust indicators**, badges, or other information
